Agenda Item No. 4.

Subject: Review 2022 Preservation Award nominations, vote for an awardee, create subcommittee to prepare proclamation

Nominations

As of 12:00PM of February 10, 2022, staff has received four written nominations, including a nomination for John Keener, Kathy Kellerman, and two nominations for Peter Loeb. Any additional written nominations received after publication of this agenda and up until 5:00pm on February 16, 2022 will be uploaded to <https://cityofpacific.egnyte.com/fl/rmA23Zutdf>. OSPAC will also be accepting verbal nominations at its February 16th meeting. Additionally, OSPAC may choose to re-nominate a past nominee who has not been awarded the Preservation Award. Information regarding past nominees is available here: <https://cityofpacific.egnyte.com/fl/rmA23Zutdf>.

Voting Process

Per the Preservation Award guidelines, awardees will be voted by secret ballot. To comply with this requirement during a virtual meeting, the staff liaison will ask the committee members to send staff an email, after all nominations have been identified, that contains their vote. Staff will report out the results. If voting results in a tie, the OSPAC will determine how to proceed. Staff's recommendation is to conduct another vote between only the leading candidates.

Subject: OPEN SPACE PRESERVATION NOMINATION

[CAUTION: External Email]

Hello Bonny,

I would like to nominate John Keener for the Open Space Preservation Award.

I think John has made an outstanding contribution toward the preservation of open space in the City of Pacifica. John is the President of the San Pedro Creek Watershed Coalition and the Pacifica Land Trust Board. He is on the board of directors of RCD and Peninsula Clean Energy, etc, etc. John organized and is the site captain for a weekly cleanup of San Pedro Creek. As a former City Council member and past Mayor John worked to preserve open space in Pacifica and to protect Pacifica's environment. I know of several times, when citizens contacted him because of an environmental issue in San Pedro Creek and he helped remove it or brought it to the attention of the agency who could.

John is very pleasant and organized. He is a consensus builder.

Thank you for your time

Respectfully,

Roger Mascio

Hi Joann,

Kathy Kellerman is my nominee for the OSPAC award this year. For many, many years she has grown most of the native plants to be used for restoration at Pacifica State Beach and on the Pedro Point Headland. She also supplied natives for sale at the CNPS Yerba Buena Chapter sales and for the sales at Pacifica Gardens.

Most importantly, she shared her encyclopedic knowledge and offered generous advice to those needing it. Kathy is a perfect example of a kind and dedicated educator about all things native plant.

I will contact members of the Land Trust who can give you more information about her important role with PLT.

Sincerely,

Margaret Goodale

Subject: Open Space Preservation Award

[CAUTION: External Email]

Dear Bonnie and Arlene,

I am nominating Peter Loeb for the Open Space Preservation Award. He has spent decades working tirelessly to preserve open space in Pacifica.

Peter was a founding member and co-chair of Friends of Pacifica, which was formed in part in response to a proposal for hundreds of condos on Mori Point. Under Peter's leadership, this group began the long process of working to preserve Mori Point as open space. Friends of Pacifica also took a new zoning ordinance to referendum and the zoning ordinance was defeated. This led to the creation of the Zoning Ordinance Review Committee (ZORC). Peter was appointed by the City Council to serve on this committee.

Peter was elected to City Council on an environmental platform. During his time on the council, the Growth Control Ordinance was adopted as well as the ordinance to require a public vote to develop housing in the quarry. Peter co-chaired the Open Space Task Force which resulted in the 2-volume Open Space Task Force Report.

As Mayor, Peter was the host of the federal ceremony dedicating Sweeney Ridge into the GGNRA. While he was on City Council, Cattle Hill was acquired for later inclusion in the GGNRA.

Peter was one of many people who contributed funds to allow the Trust for Public Land to buy Mori Point at auction. Later, Mori Point became part of the GGNRA.

Also while on City Council, Peter was an early supporter of the Devil's Slide tunnel and opposed to the bypass. After his service on the Council, Peter was a founding member of Pacificans for Sustainable Development.

Peter's leadership, together with a City Council that understood the importance of the environment, and his continued advocacy following his two terms on the City Council, has allowed for the permanent preservation of open space that makes Pacifica what it is today.

Thank you, Gail Benton Shoemaker

Subject: Nomination of Peter Loeb for the Open Space Preservation Award

[CAUTION: External Email]

Dear Bonnie and Arlene,

We are long-time Pacifica residents, and would like to nominate Peter Loeb for the Open Space Preservation Award. Peter has spent many years working to preserve open space in Pacifica, from his work as a founder of Friends of Pacifica, which helped preserve Mori Point, to his work as a leader inspiring others to work toward open space and address environmental concerns.

Some of his accomplishments include his time with Friends of Pacifica, in which this group helped save Mori Point. Peter and this group's work led to the creation of the Zoning Ordinance Review Committee. In recognition of Peter's expertise, he was appointed by the City Council to serve on this committee.

Peter also was elected to City Council on an environmental platform. His work on the council led to the Growth Control Ordinance being adopted, and an ordinance to require a public vote to develop housing in the quarry. Later, as Mayor, Peter was the host of a ceremony dedicating Sweeney Ridge into the GGNRA. While he was on City Council, Cattle Hill was acquired for inclusion in the GGNRA. He also, along with others, contributed funds to allow the Trust for Public Land to buy Mori Point at auction. Later, Mori Point became part of the GGNRA. After his service on the Council, Peter was a founding member of Pacificans for Sustainable Development.

In addition, in partnership with the City Council he advocated for the environment, and his continued work following his two terms on the City Council, resulted in the permanent preservation of open space in Pacifica.

We support Peter's nomination as he is a shining example of someone who is skilled at working with both the local Pacifica city government, and also State and National partners. Peter knows how to build community support, and gets people excited about preserving open space in Pacifica. His expertise had made a tremendous difference to open space in Pacifica, and he is dedicated to continuing to work to preserve open space in in Pacifica for years to come. Thank you for considering this nomination.

Best regards,

Lois Marshall-Ward and Jerry Ward

Pacifica Preservation Award

Nomination Process and Selection Criteria

1. Awardees will be individuals or groups who have contributed to preserving or maintaining Pacifica's open spaces, parklands or other areas adjacent to Pacifica.
2. Awardee will not be a member of OSPAC.
3. Awardees will be nominated by members of the public as well as OSPAC committee members
4. Awardees will be voted on by OSPAC members by secret ballot.
5. OSPAC will award one Preservation award per year.
6. Awardees will not be eligible for future Preservation awards.
7. Nominations should be received in writing by OSPAC by the date set forth by the committee.
8. Nominees may be nominated for the award again if they didn't previously win but names will not carry over the subsequent year. Nominees must be re-nominated by either committee members or members of the public.
9. OSPAC will sent a thank you letter to the person who submitted the nomination, thanking them for their time and nomination.

We didn't get into details about the proclamation as that will be unique to every awardee.

Draft Thank You Letter:

Dear ***

Thank you for nominating _____ for the Pacifica Preservation Award. As you are aware, the Pacifica Preservation Award honors people or groups who have shown a dedication to maintaining, restoring and/or preserving open space, parks, beaches or other areas in and around Pacifica.

Our committee will be evaluating all nominees and will announce the winner around Earth Day. We appreciate you spending the time to submit a nomination.

Respectfully,

Members of the Pacifica Open Space and Parklands Advisory Committee
