MEMORANDUM OF UNDERSTANDING
BETWEEN
CITY OF PACIFICA
AND
PACIFICA POLICE MANAGERS ASSOCIATION
AND
PACIFICA POLICE SUPERVISORS ASSOCIATION

The Pacifica Police Managers Association and the Pacifica Police Supervisors Association and representatives of the City of Pacifica have met and conferred in good faith regarding wages, hours and other terms and conditions of employment of unit represented employees in the representation units specified in Section 1, have exchanged freely information, opinions and proposals and have endeavored to reach agreement on all matters relating to the employment conditions and employer-employee relations of such unit represented employees.

This Memorandum of Understanding is entered into pursuant to the Meyers-Miliias-Brown Act (Government Code Sections 3500, et seq.) and has been jointly prepared by the parties.

This Memorandum of Understanding shall be presented to the City Council as the joint recommendations of the undersigned for salary and unit represented employee benefit adjustments for the period commencing upon City Council approval and ending June 30, 2023.

SECTION 1. RECOGNITION

1.1 Association Recognition

The Pacifica Police Supervisors Association, hereinafter referred to as the "PPSA," is the recognized employee organization for the Police Sergeants Unit, comprised of the following classification certified pursuant to Resolution No. 29-84 adopted by the City Council on April 23, 1984: Police Sergeant.

The Pacifica Police Management Association, hereinafter referred to as the "PPMA," is the recognized employee organization for the Police Management Unit, comprised of the following classification certified pursuant to a resolution adopted by the City Council on or about April 23, 1984: Police Captain.

1.2 City Recognition

The City Manager, or any person or organization duly authorized by the City Manager, is the representative of the City of Pacifica, hereinafter referred to as the "City" in employer-employee relations as provided in Resolution No. 29-84 adopted by the City Council on April 23, 1984.

SECTION 2. ORGANIZATION SECURITY

2.1 Dues Deduction

The City shall rely on a written certification from the Union requesting a deduction or reduction from employees' salaries or wages confirming that the Union has and will maintain individual signed employee authorizations affirmatively consenting to dues deductions consistent with the law. After providing the required certification, the Union shall not be required to provide a copy of individual authorizations to the City unless a dispute arises about the existence or terms of the authorization.

Based on the certification from the Union described above, the City shall deduct, monthly, the amount of Union regular and periodic dues and service fees, insurance premiums, and any special membership assessments as may be specified by the Union under the authority of an authorization card furnished by the Union and signed by the unit member. Dues deduction for any individual shall be made only upon the written request of the Union.

The deductions, together with a written statement of the names and amounts deducted, shall be forwarded promptly to the Union office at the address specified by the Union. Dues shall be deducted only for members of the Union within the represented unit.

At the time of initial employment, the City shall distribute to new unit members Union-prepared information about agency fee and Union-prepared payroll deduction forms. Each pay period, the City shall provide the Union with a list of newly hired unit members as required by Section 4.1.

The unit member's earnings must be sufficient, after all other required deductions are made, to cover the amount of the deductions authorized by this Section. When a unit member is in a non-pay status for an entire pay period, no withholdings will be made to cover that pay period from future earnings nor will the unit member deposit the amount with the City which would have been withheld if the unit member had been in pay status during that period. If a unit member is in a non-pay status during a part of the pay period, and that unit member's salary is not sufficient to cover the full withholding, the City shall not deduct Union dues. In this connection, all other required deductions have priority over the Union dues and unit member organization deduction.

2.2 Changes or Cancellation of Deductions

Dues deductions may be revoked only pursuant to the terms of the employee's written authorization. The City shall direct employee requests to cancel or change deductions to the Union. As required by state law, the City shall rely on information provided by the Union regarding whether deductions for the Union were properly canceled or changed.

2.3 IndemnificationThe Union shall indemnify and hold harmless the City, its officers and employees, from and against any and all loss, damages, costs, expenses, claims, attorney fees, demands, actions, suits, judgments, and other proceedings arising out of any action relating to this Section 2. The Union shall refund to the City any amounts paid to it in error upon presentation of supporting evidence.

2.4 Development of LawIn the event any portion of the California Government Code is amended to address the transfer of monies between the Union and the City, the parties will reopen this section of the MOU to meet and confer regarding the change in law.

2.5 Government Code Provisions Incorporated By ReferenceThe parties incorporate by reference the provisions of Government Code sections 1150-1157.12.

2.6 Use of City Facilities

City employees or the PPMA or PPSA, or their representatives may, with the prior approval of the Assistant City Manager or his/her representative, be granted the use of City facilities during non-work hours for meetings of City employees provided space is available, and provided further such meetings are not used for organizational activities or membership drives of City employees. All such requests shall be in writing and shall state the purpose or purposes of the meeting. The City reserves the right to assess reasonable charges for the use of such facilities.

The use of City equipment other than items normally used in the conduct of business meetings, such as desks, chairs, and blackboards, is strictly prohibited, the presence of such equipment in approved City facilities notwithstanding.

2.7 Use of Bulletin Boards

The PPMA and PPSA may use portions of City bulletin boards under the following conditions:

- (1) All materials are subject to the approval of the department director or Division Head in charge of the departmental bulletin board.
- (2) All materials must be dated and must identify the organization that published them.
- (3) Unless special arrangements are made, materials posted will be removed thirty-one (31) days after the publication date. Materials that the department director considers objectionable will not be posted provided, however, the department director shall first discuss this denial with the City Manager.
- (4) The City reserves the right to determine where bulletin boards shall be placed and what portion of them is to be allocated to the PPMA and PPSA's materials.

2.8 Advance Notice

Except in cases of emergency, reasonable advance written notice shall be given to PPMA and/or PPSA if it is affected by any ordinance, rule, resolution or regulation directly relating to matters within the scope of representation proposed to be adopted by the City Council, by any board or commission of the City, or by any department, and PPMA and/or PPSA shall be given the opportunity to meet with such body prior to adoption. In cases of emergency when the City Council determines that an ordinance, rule, resolution or regulation must be adopted immediately without prior notice or meeting with PPMA and/or PPSA, the City Manager or where the authority has been delegated by the City Manager, the City Manager's representative shall provide such notice and opportunity to meet at the earliest practicable time following the adoption of such ordinance, rule, resolution or regulation.

2.9 Allowable Uses of Electronic Media

PPMA and PPSA representatives may utilize the City's email system to facilitate communication of information to its members and to coordinate meetings. Such use is subject to all conditions and limitations provided by City policy.

SECTION 3. CITY RIGHTS

Except as otherwise provided in this Memorandum of Understanding, the rights of the City include, but are not limited to, the exclusive right to determine the mission of its constituent departments, commissions and boards; set standards of service; determine the procedures and standards of selection for employment and promotion; direct its employees; take disciplinary action; relieve its employees from duty because of lack of work or for other legitimate reasons; maintain the efficiency of governmental operations; determine the methods, means and personnel by which government operations are to be conducted; determine the content of job classifications; take all necessary actions to carry out its mission in emergencies; and exercise complete control and discretion over its organization and the technology of performing its work.

SECTION 4. NO DISCRIMINATION

The City of Pacifica prohibits harassment and discrimination in the workplace on the basis of race, color, sex (including pregnancy, childbirth, and related medical conditions), gender, gender identity, gender expression, national origin, citizenship status, age, religious creed, physical or mental disability, marital status, medical condition, genetic information, sexual orientation, AIDS/HIV status, political activities or affiliations, ancestry, military and veteran status, status as a victim of domestic violence, assault, or stalking, or legitimate unit member organization activities.

It is the policy of the City that all employees have the right to work in an environment free from any such harassment and discrimination. Such prohibited activity debilitates the morale and

productivity of the victims and their co-workers. The City does not condone any form of such harassment or discrimination and those who engage in such activities shall be subject to disciplinary action up to and including termination.

SECTION 5. PPMA AND PPSA REPRESENTATIVES

5.1 Bargaining Unit Represented Employee Contact Information

To the extent required by Government Code Section 3558, the City shall provide the Union President with a list of names and contact information (listed below) for any newly hired unit represented employee within 30 days of the date of hire or by the first pay period of the month following hire. The City shall also provide the Union a list of all unit represented employee names and contact information on the last working day of September, January, and May. 5.3 Attendance at Meetings by Employees

City employees who are official representatives or unit representatives of PPMA or PPSA shall be given reasonable time off with pay to attend meetings with management representatives, or to be present at hearings where matters within the scope of representation are being considered. The use of official time for this purpose shall be reasonable and shall not interfere with the performance of City services as determined by the City. Such employee representatives may be required to submit a written request for excused absence to their respective department director, with an information copy to the Assistant City Manager, at least two (2) working days prior to the scheduled meeting whenever possible. Except by mutual agreement, the number of employees excused for such purposes shall not exceed two (2).

Reasonable access to PPMA and PPSA unit represented employee work locations shall be granted to officers of the PPMA and PPSA, respectively, and their officially designated representatives, for the purpose of processing grievances or contacting members of the PPMA and PPSA concerning business within the scope of representation. Access shall be restricted so as not to interfere with the normal operations of the department or with established safety or security requirements.

14.1 Family Illness Leave

According to State Law, a PPMA or PPSA unit represented employee may use his or her accrued sick leave up to a maximum of six (6) days per year, where the unit represented employee's attendance is required to attend to a member of his family who is ill. For purposes of this Section 14.1, "family member" is defined as a biological, adopted, or foster child; stepchild; legal ward, or a child to whom the unit represented employee stands in loco parentis; a biological, adoptive, or foster parent; stepparent, or legal guardian of an unit represented employee or the unit represented employee's spouse or registered domestic partner (a registered domestic partnership requires filing an Affidavit of Domestic Partnership with the Secretary of State), or a person who stood in loco parentis when the unit represented employee was a minor child; spouse; registered domestic partner; grandparent; grandchild; or sibling. A doctor's note may be required to substantiate the illness of the family member.

14.2 Family Care & Medical Leave

Each eligible PPMA and PPSA unit represented employee is entitled to family care and medical leave as provided by the Family and Medical Leave Act (FMLA) and the

California Family Rights Act (CFRA), as amended. The leaves under FMLA and CFRA will run concurrently to the extent permitted by law.

14.2.1 Eligibility

To be eligible for family care and medical leave, on the date on which leave is to begin, a full-time or part-time unit represented employee must have been employed by the City for at least twelve (12) months, which need not be consecutive, and have actually worked at least 1,250 hours of service during the twelve (12) month period immediately preceding the commencement of the leave.

14.2.2 Family Care and Medical Leave Entitlement

Subject to the provisions of this MOU, City policy, and state and federal law, including the federal FMLA and the CFRA, an eligible unit represented employee is entitled to a total of twelve (12) workweeks of unpaid leave during any twelve (12) month period for any one, or more, of the following reasons:

14.2.2.1 The birth of a child and to care for the newborn child (FMLA and CFRA);

14.2.2.2 The placement with the unit represented employee of a child for adoption or foster care and care for the newly placed child (FMLA and CFRA);

14.2.2.3 To care for the unit represented employee's child, parent or spouse who has a serious health condition. (Child is defined as biological, adopted, or foster child, stepchild, legal ward, or child of a person standing in loco parentis who is under 18 years of age or an adult dependent child. Parent is defined as biological, foster or adoptive parent, stepparent, legal guardian, or other person who stood in loco parentis to the unit represented employee when the unit represented employee was a child. Parent does not include a parent-in-law. "Spouse" means partner in marriage or a registered domestic partner as defined in the Family Code and includes same-sex partners in marriage.)

14.2.2.4 Because of a unit represented employee's own serious health condition that makes the unit represented employee unable to perform the functions of the unit represented employee's position, except for disability on account of pregnancy, childbirth, or related medical conditions, which is covered by pregnancy disability leave. (Pregnancy disability counts toward only California Pregnancy Disability Leave (PDL) and FMLA leave.)

14.2.2.5 Because of any qualifying exigency arising out of the fact that the unit represented employee's spouse, son, daughter, or parent is a

military member on covered active duty (or has been notified of an impending call or order to covered active duty status) (FMLA only).

The twelve (12) month period for FMLA/CFRA purposes is determined by the fiscal year.

14.2.3 Family Care and Medical Leave To Care for a Covered Service Member with a Service Injury or Illness

Subject to the provisions of this MOU, City policy, and state and federal law, including the FMLA, an eligible unit represented employee may take FMLA leave to care for a covered servicemember with a serious injury or illness if the unit represented employee is the spouse, son, daughter, parent, or next of kin of the servicemember.

14.2.3.1 An eligible unit represented employee's entitlement under Section 14.2.4 is limited to a total of twenty-six (26) workweeks of leave during a single 12-month period to care for a covered servicemember with a serious injury or illness. The "single 12-month period" in which the 26-weeks-of-leave-entitlement described in this begins on the first day a unit represented employee takes leave to care for the covered servicemember.

14.2.3.2 During the "single 12-month period" described above, an eligible unit represented employee's FMLA leave entitlement is limited to a combined total of twenty-six (26) workweeks of FMLA leave for any qualifying reason.

14.2.4 Pay Status and Benefits

Except as provided in this Section 14, the family care and medical leave will be unpaid. The City will, however, continue to provide City contributions toward the health plan premiums during the period of family care and medical leave for up to twelve (12) work weeks on the same basis as contributions would have been provided had the unit represented employee not taken family care and medical leave. The unit represented employee will be required to continue to pay the unit represented employee's share of premiums payments, if any.

14.2.5 Relationship of Family Care and Medical Leave to Other Leaves

Any leave of absence that qualifies as family care and medical leave and is designated by the City as family care and medical leave will be counted as running concurrently with any other paid or unpaid leave to which the unit represented employee may be entitled for the same qualifying reason. A unit represented employee is required to utilize the unit represented employee's accrued sick leave for FMLA/CFRA qualifying absences due to the unit member's own serious health condition. A unit represented employee may be

required to use accrued vacation leave for FMLA/CFRA qualifying reasons unrelated to the unit represented employee's own serious health condition.

14.2.6 Notice to the City

14.2.6.1 The unit represented employee must provide written notice to the City as far in advance of the leave as possible and as soon as the unit represented employee reasonably knows of the need for the leave. If the need for the leave is foreseeable based on an expected birth, placement of a child for adoption or foster care or planned medical treatment, the notice must be provided at least (thirty) 30 calendar days in advance of the leave, or if not reasonably known (thirty) 30 calendar days before the leave, then as soon as reasonably practicable.

14.2.6.2 The written notice must inform the City of the reasons for the leave, the anticipated duration of the leave and the anticipated start of the leave.

14.2.6.3 The unit represented employee shall consult with the City and make a reasonable effort to schedule any planned medical treatment or supervision so as to minimize disruption to department operations.

14.2.7 Medical Certification

14.2.7.1 A unit represented employee's request for family care and medical leave to care for a child, a spouse, or a parent who has a serious health condition shall be supported by a certification issued by the health care provider of the individual requiring care. If additional leave is requested after the expiration of the time originally estimated by the health care provider, the unit represented employee shall provide the City with recertification by the health care provider.

14.2.7.2 A unit represented employee's request for family care and medical leave because of unit represented employee's own serious health condition shall be supported by a certification issued by the unit represented employee's health care provider.

14.2.7.3 As a condition of an unit represented employee's return from leave taken because of the unit represented employee's own serious health condition, the unit represented employee is required to obtain certification from the unit represented employee's care provider that the unit represented employee is able to resume work.

14.2.7.4 Employees are required to use the medical certification forms available from the City Human Resources Department to meet the certification and recertification requirements of this section.

14.2.8 Minimum Duration of Leave

14.2.8.1 Leave does not need to be taken in one continuous period of time.

14.2.8.2 Leave taken for a serious health condition of the unit represented employee's child, parent, or spouse of the unit represented employee may be taken intermittently or on a reduced work schedule when medically necessary, as determined by the health care provider of the person with the serious health condition. However, intermittent or reduced work schedule leave may be taken for absences where the unit represented employee or covered family member is incapacitated or unable to perform the essential functions of the position because of a chronic serious health condition, even if he or she does not receive treatment by a health care provider.

14.2.8.3 Leave taken for reason of birth, adoption, or foster care placement of a child of the unit represented employee does not have to be taken in one continuous period of time. Any leave(s) taken shall be concluded within one (1) year of the birth of placement of the child with the unit represented employee. The basic minimum duration shall be two (2) weeks. However, the City shall grant a request for a leave of less than (2) weeks' duration on any two (2) occasions.

14.2.9 City's Response to Leave Request

It is the City's responsibility to designate leave, paid or unpaid, as family and medical leave-qualifying based on the information provided by the unit represented employee and to notify the unit represented employee of the designation.

14.2.10 Dual Parent Employment

Where both parents are City unit represented employees, allowable leave for the birth, adoption, or foster care placement of a child is limited to a total of twelve (12) work weeks in a 12-month period between the two unit represented employees. Their family care and medical leave entitlement is not limited or combined for any other qualifying purpose.

14.2.11 Employee's Status on Returning from Leave

Except as provided by law, on return from family care and medical leave, a unit represented employee is entitled to be returned to the same or equivalent position the unit represented employee held when leave commenced, or to an equivalent position with equivalent benefits, pay, and other terms and conditions of employment. A unit represented employee is also entitled to reinstatement even if the unit represented employee has been replaced or the unit represented employee's job has been restructured to accommodate the unit represented employee's absence. If a unit represented employee is no longer

qualified for the position because, e.g., of the employer's inability to renew a license, as a result of the leave, the unit represented employee shall be given a reasonable opportunity to fulfill those conditions upon returning to work. A unit represented employee has no right to return to the same position. Use of family care and medical leave will not result in the loss of any employment benefit that accrued prior to the start of an eligible unit represented employee's FMLA/CFRA leave.

14.3 Pregnancy Disability Leave

A pregnant unit represented employee is entitled to an unpaid leave of up to four (4) months, as needed, for the period(s) of time the unit represented employee is actually disabled by pregnancy, as determined by her health care provider.

14.3.1 Notice to City

Using the City's Certification of Health Care Provider form for pregnancy disability leave, a unit represented employee should provide at least thirty (30) days advance notice or notice as soon as practicable of the unit represented employee's need for pregnancy disability leave or need for reasonable accommodation based on the advice of her health care provider that reasonable accommodation is medically advisable because of pregnancy or a related medical condition.

14.3.2 Use of Sick Leave and Vacation During Pregnancy Disability Leave

A unit represented employee is required to use any accrued sick leave during an otherwise unpaid pregnancy disability leave. A unit represented employee may, at her option, use accrued vacation during an otherwise unpaid portion of a pregnancy disability leave.

14.3.3 Health and Welfare Benefits

The City shall maintain its contribution toward health and welfare benefits under Section 15 during any unpaid portion of a pregnancy disability leave on the same basis that the contribution would have been provided if the unit represented employee had not taken pregnancy disability leave.

14.3.4 Employee Status

During a pregnancy disability leave, the unit represented employee shall retain unit represented employee status, and the leave shall not constitute a break in service for any purpose under this MOU except that the leave shall not count toward completion of probation.

14.3.5 Relationship Between Pregnancy Disability, FMLA, and CFRA Leaves

- 14.3.5.1 A pregnancy disability leave shall run concurrently with the unit represented employee's FMLA leave entitlement.
- 14.3.5.2 The right to take pregnancy disability leave is separate and distinct from the right to take leave under CFRA. A unit represented employee's own disability due to pregnancy, childbirth or related medical conditions is not a "serious health condition" under CFRA.
- 14.3.5.3 At the end of the unit represented employee's period(s) of pregnancy disability leave, or at the end of four months of pregnancy disability leave, whichever occurs first, a CFRA-eligible unit represented employee may request to take CFRA leave of up to twelve (12) workweeks for reason of the birth of her child, if the child has been born by this date.

14.4 Jury Duty

A PPMA or PPSA unit represented employee summoned to jury duty shall inform his supervisor and, if required to serve, may be absent from duty with full pay; provided, however, the unit represented employee must remit to the City, through the unit represented employee's department director, within fifteen (15) days after receipt, all fees received except those specifically allowed for mileage and expenses. When a PPMA or PPSA unit represented employee is released from jury duty each day, he or she must report to work promptly for the balance of his or her regularly scheduled shift or workday.

14.5 Military Leave

The provisions of the Military and Veterans Code of the State of California as well as the Uniformed Services Employment and Reemployment Act shall govern military leave of PPMA and PPSA unit represented employees.

14.6 Campaign Leave

Upon becoming a candidate for public office, any regular PPMA or PPSA unit represented employee may request and be granted a leave of absence without pay, to remain in effect for the period of his or her candidacy.

14.7 Leave of Absence Without Pay

Upon written request, the City Manager, or where the authority has been delegated by the City Manager, the City Manager's representative, may grant employee PPMA or PPSA unit represented employee a leave of absence without pay for a definite period not to exceed one (1) year. The decision by the City Manager or where the authority has been delegated by the City Manager, the City Manager's representative, shall be final. Upon expiration of leave of absence the PPMA or PPSA unit represented employee shall be reinstated in the position held at the time the leave was granted or to another position in the same

classification. Failure on the part of PPMA or PPSA unit represented employee on leave to report promptly on its expiration, or within fifteen (15) days after notice to return to duty shall result in such unit represented employee's automatic dismissal. Vacation and sick leave credits shall not accrue to PPMA or PPSA unit represented employees on voluntary leave of absence. Additionally, seniority credits shall not accrue to a PPMA or PPSA unit represented employee on voluntary leave of absence.

14.8 Bereavement Leave

In case of death within the immediate family of a PPMA or PPSA unit represented employee, such unit represented employee shall be entitled to remain absent from duty with pay in order to arrange and/or attend the funeral or memorial services for the times hereinafter specified:

(1) If the service is within the Bay Area (i.e., Alameda, Contra Costa, Marin, Napa, San Francisco, San Mateo, Santa Clara, Sonoma Counties) not to exceed a maximum of three (3) working days.

(2) If the service is outside the Bay Area, not to exceed a maximum of five (5) working days. Said bereavement leave is not to be charged to sick or vacation leave.

For the purpose of this Section 14.8, immediate family is defined as parent, sibling, spouse, domestic partner, child, mother-in-law, father-in-law, brother-in-law, sister-in-law, grandparents, grandchildren, great grandparents, stepchildren, foster children, or other persons with whom there is a demonstrated child-rearing/parental or immediate familial relationship.

14.9 Absence Without Pay

Failure of a PPMA or PPSA unit represented employee to report for duty on a normal working day or shift without notice to his department director of the reason for such absence within thirty (30) minutes after the time designated as the beginning of the work day shall constitute absence without leave and without pay. PPMA and PPSA unit represented employees should make every effort to contact their department director prior to the start of their shift if they plan to be absent.

Absence without leave for any length of time without satisfactory explanation is cause for dismissal. Absence without leave for five (5) or more consecutive days shall be deemed a tender of resignation.

14.10 Administrative Leave for PPMA Unit Represented Employees

PPMA unit represented employees will receive administrative leave at the rate of 80 hours per fiscal year, in recognition of the additional evening, weekend and on call responsibilities of an exempt employee. The administrative leave is in lieu of compensatory time, must be used during the fiscal year in which it is received, has no cash value, and does not accumulate from year to year.

14.11 Catastrophic Illness or Injury Time Donation Program

For PPMA and PPSA unit represented employees, the City will continue to offer a catastrophic leave program for donation of time in the event of catastrophic illness or injury.

In the event the actual monthly premium cost is less than the amount shown on the chart below, the City shall retain any savings and shall have no obligation to “cash-out” or pay any PPMA or PPSA unit represented employee the difference. The City and PPMA and PPSA acknowledge the parties may propose changes to Section 15 during the successor contract negotiations in 2023. During the successor contract negotiations, the chart below in this Section 15.1 shall define the status quo ante for City contributions toward the cost of health benefits for each full-time PPMA and PPSA unit represented employee. PPMA and PPSA unit represented employees electing coverage with a cost greater than the amount paid by the City in this Section shall have the difference deducted automatically from the unit represented employee’s pay.

19.2 Credit for Time Worked in Temporary, Extra Help, or Provisional Status

Time worked by a PPSA or PPMA unit represented employee in a temporary, extra help, or provisional status shall not count towards completion of the probationary period; provided, however, that time served in a temporary or provisional appointment may be credited to the probationary period upon recommendation of the department director and approval of the City Manager. The probationary period shall start from the date of probationary appointment. Probationary PPMA or PPSA unit represented employees in regular part-time positions shall be credited with that portion of full-time employment that they worked in a probationary status.

19.3 Transfer to Another Department

Probationary unit represented employees who transfer to another department in a position in the same classification may be required to start a new probationary period as determined by the City Manager, whose decision shall be final.

19.4 Completion of Probation

A PPMA or PPSA unit represented employee who is not rejected prior to the completion of the prescribed probationary period shall acquire regular status automatically. Former regular PPMA and PPSA unit represented employees appointed from a re-employment eligible list shall be given regular appointments when re-employed. Regular PPMA and PPSA unit represented employees who are demoted to lower classifications shall be given regular appointments in the lower classifications; provided, however, that the unit represented employee has had prior regular status in the lower classification.

19.5 Layoff

A PPMA or PPSA unit represented employee who is laid off and subsequently appointed as a result of certification from a general employment eligibility list to a position in a different classification than that from which laid off shall undergo a new probationary period. Former probationary PPMA and PPSA unit represented employees whose names were placed on a reemployment eligible list before they achieved regular status shall start a new probationary period when appointed from a reemployment eligible list.

19.6 Termination

The City Manager, or where authority has been delegated by the City Manager, the department director, may terminate a probationary PPMA or PPSA unit represented employee at any time during the probationary period without cause, without the right of appeal in any manner, and without recourse to any of the procedures provided in Section 19 hereof.

19.7 Transfer to Same Classification

Regular PPMA and PPSA unit represented employees who transfer to another position in the same classification shall not be required to undergo a new probationary period in the position into which transferred.

19.8 Promotion to Higher Classification

Regular PPMA and PPSA unit represented employees who are promoted to a higher classification shall undergo the probationary period prescribed for the higher classification, but shall have the right to demote to their former classification if rejected during their probationary period. During the probationary period, an employee may be rejected at any time by the appointing authority without right of appeal and without recourse to the procedures provided in Section 22 (Grievances) of this MOU.

SECTION 20. DISMISSAL, SUSPENSION OR DEMOTION FOR CAUSE

The City Manager, or, where the authority has been delegated by the City Manager, the department director may discipline any regular PPMA or PPSA unit represented employee as provided in Chapter IV of the Department Rules and regulations Manual, this Memorandum of Understanding, or the City of Pacifica Personnel Rules and in compliance with the Public Safety Officers Procedural Bill of Rights. Suspension without pay shall not exceed thirty (30) days in any fiscal year.

In accordance with applicable State law, an employee shall be notified in writing of any proposed disciplinary action with a copy to the Union and shall be given an opportunity to respond in writing or in person.

Any regular PPMA or PPSA unit represented employee in the competitive service who is suspended, demoted or dismissed shall be furnished a written notice of such action. Upon the employee's request, the employee shall be provided a written statement of the reasons for such action.

SECTION 21. RETIREMENT PLAN

21.1 City's Contract with CalPERS

The City shall continue its contract with the California Public Employees Public Retirement System (CalPERS) for all active PPSA and PPMA unit represented employees. For Tier One PPMA and PPSA unit represented employees described in Section 21.4, the City's contract with CalPERS shall include the 1959 survivors benefit plan, and credit for unused sick leave.

All the retirement benefits provided to PPMA and PPSA unit represented employees are described in this Section 21 or in the City's contract with CalPERS.

21.2 CalPERS Election about PPMA and PPSA Unit Represented Employee's Payment of City's Pension Costs

The parties acknowledge that CalPERS mandates an election of PPMA and PPSA unit represented employees, separate from ratification of this MOU, to provide for the cost sharing pursuant to Government Code Section 20516 described in this Section 21. As soon as practicable after the effective date of this MOU, the City will initiate the contract amendment process. Upon approval and agreement from PPMA bargaining unit and the PPSA bargaining unit and completion of the City's amendment to the CalPERS contract, PPMA and PPSA unit represented employee contributions will be made pursuant to Government Code Section 20516, and shall extend beyond the expiration of this MOU. The PPMA, the PPSA, and the City will take all actions necessary to implement the Government Code Section 20516 pension cost sharing agreement described in this Section 21.

21.3 PPMA and PPSA Unit Represented Employees Payment of City's Pension Costs

If the contract amendment between the City and CalPERS is not complete before the effective date of the cost sharing described in this Section 21, the cost sharing shall be implemented outside of a CalPERS contract amendment as authorized by Government Code Section 20516(f), and shall extend beyond the expiration of this MOU. The PPMA, the PPSA, and the City will take all actions necessary to implement the Government Code Section 20516(f) pension cost sharing agreement described in this Section 21.

21.4 Tier One: Safety 3.0% at 50 Retirement Program – PPMA and PPSA Bargaining Unit Represented Employees Hired On or Before December 31, 2012 and PPMA and PPSA Unit Represented Employees Eligible for Reciprocity

This Section 21.4 (including subsections) shall apply to PPMA and PPSA bargaining unit represented employees hired on or before December 31, 2012. In addition, this Section 21.4 (including subsections) shall apply to PPMA and PPSA bargaining unit represented employees hired on or after January 1, 2013, who are qualified for pension reciprocity as stated in Government Code Section 7522.02(c) and related CalPERS reciprocity requirements:

21.4.1 3% at 50 Pension Formula

The "3% at 50" retirement program will be available to bargaining unit represented employees covered by this Section 21.4.

21.4.2 Final Compensation Based On Twelve Month Period

For purposes of determining a retirement benefit, final compensation for bargaining unit represented employees covered by this Section 21.4 shall mean the highest twelve (12) consecutive month period as specified in Government Code Section 21362.2.

21.4.3 Required Bargaining Unit Represented Employee Contribution

Each bargaining unit represented employee covered by this Section 21.4 shall continue to pay through payroll deduction the nine percent (9.0%) required bargaining unit represented employee contribution.

21.4.4 Additional Required Bargaining Unit Represented Employee Contribution – September 28, 2015

Each bargaining unit represented employee covered by this Section 21.4 shall continue to pay through payroll deduction the nine percent (9.0%) required bargaining unit represented employee contribution. pension benefits as permitted by Government Code Section 20516. The parties acknowledge that CalPERS mandates an election of unit represented employees, separate from ratification of this MOU, to approve this paragraph of Section 21.4.4 of the MOU. For this reason, this paragraph shall be subject to and contingent upon the PPMA and PPSA bargaining units' approval and agreement to implement through payroll deduction, an additional four percent (4.0%) of PERSable compensation for a total contribution of thirteen percent (13.0%) toward the normal cost of pension benefits.

21.4.5 Additional Required Bargaining Unit Represented Employee Contribution – July 1, 2016

Each bargaining unit represented employee covered by this Section 21.4 shall continue to pay through payroll deduction the nine percent (9.0%) required bargaining unit represented employee contribution. Effective July 1, 2016, each bargaining unit represented employee covered by this Section 21.4 shall pay, through payroll deduction, an additional five percent (5.0%) of PERSable compensation towards the City's costs for a total contribution of fourteen percent (14.0%) toward the normal costs of pension benefits as permitted by Government Code Section 20516. The parties acknowledge that CalPERS mandates an election of unit represented employees, separate from ratification of this MOU, to approve this paragraph of Section 21.4.5 of the MOU. For this reason, this paragraph shall be subject to and contingent upon the PPMA and PPSA bargaining units' approval and agreement to implement through payroll deduction, an additional five percent (5.0%) of PERSable compensation for a total contribution of fourteen percent (14.0%) toward the normal cost of pension benefits.

21.4.6 No City Intention to Impose

Because PPMA and PPSA bargaining unit represented employees have voluntarily agreed to contribute five percent (5.0%) toward the City's pension costs, the City agrees not to unilaterally impose an additional three percent (3.0%) unit member contribution after 2018 as permitted by Government Code Section 20516.5.

21.5.1 2% @ 50 – 2.7% @ 57 Pension Formula

As required by Government Code Section 7522.25, the safety Option Plan Two (2% @ 50 – 2.7% @ 57) pension formula shall apply to bargaining unit represented employees covered by this Section 21.5.

21.5.2 Final Compensation Based On Three Year Average

As required by Government Code Section 7522.32, effective January 1, 2013, for the purposes of determining a retirement benefit, final compensation shall mean the highest annual average pensionable compensation earned during thirty-six (36) consecutive months of service.

As required by Government Code Section 7522.04(g), bargaining unit represented employees covered by this Section 21.5 shall pay, through payroll deductions, fifty percent (50%) of normal costs.

21.5.4 Additional Required Bargaining Unit Represented Employee Contribution – September 28, 2016

Each bargaining unit represented employee covered by this Section 21.5 shall continue to pay fifty percent (50%) of normal costs as described above. The parties acknowledge that CalPERS mandates an election of unit represented employees, separate from ratification of this MOU, to approve this paragraph of Section 21.5.4 of the MOU. For this reason, this paragraph shall be subject to and contingent upon the PPMA and PPSA bargaining units' approval and agreement to implement through payroll deduction, an additional four percent (4.0%) of PERSable compensation towards the City's costs.

21.5.5 Additional Required Bargaining Unit Represented Employee Contribution – July 1, 2016

Each bargaining unit represented employee covered by this Section 21.5 shall continue to pay fifty percent (50%) of normal costs as described above. The parties acknowledge that CalPERS mandates an election

of unit represented employees, separate from ratification of this MOU, to approve this paragraph of Section 21.5.5 of the MOU. For this reason, this paragraph shall be subject to and contingent upon the PPMA and PPSA bargaining units' approval and agreement to implement through payroll deduction, an additional five percent (5.0%) of PERSable compensation towards the City's costs.

21.6 Implementation of Internal Revenue Code Section 414(h)(2)

As permitted by Internal Revenue Code Section 414(h)(2) and Government Code Section 20516, each PPMA and PPSA unit represented employees shall pay through payroll deductions the PERS contributions described in Sections 21.4.3, 21.4.4, 21.4.5, 21.5.3, 21.5.4, and 21.5.5 with state and federal income tax on the PERS member contribution deferred to the extent permitted by Internal Revenue Code, 26 USC Section 414(h)(2).

21.7 Definition of Status Quo Ante

For both PPMA and PPSA, after this MOU terminates on June 30, 2021, the status quo ante for all purposes, including any state statute shall be defined as the current language of Section 21.

SECTION 22. GRIEVANCE PROCEDURE FOR PPMA UNIT REPRESENTED EMPLOYEES

22.1 Definition

This Section 22 grievance procedure applies only to PPMA unit represented employees. A grievance is any dispute that involves the interpretation or application of any provision of this Memorandum of Understanding excluding, however, those provisions of this Memorandum of Understanding which specifically provide that the decision of the named City official shall be final, the interpretation or application of those provisions not being subject to the grievance procedure.

22.2 Procedure

Grievances shall be processed in the following manner:

- (1) Any PPMA unit member who believes that the unit represented employee has a grievance may discuss his complaint with the immediate supervisor in the Department in which the unit represented employee works. The grievance shall be presented to the immediate supervisor within fourteen (14) calendar days of the event giving rise to the grievance. Grievances not presented in the time period shall be considered resolved. The grievance shall state the particulars of the grievance and the nature of the determination desired. The supervisor shall meet with the grievant to attempt to settle the grievance. If the issue is not resolved within the department, or if the employee elects to submit his grievance directly to the PPMA,

the procedures hereinafter specified may be invoked. A grievance may be filed on behalf of employee PPMA unit represented employee by the unit represented employee or jointly on behalf of a group of PPMA unit represented employees or by the PPMA.

- (2) Any grievance which has not been resolved by the procedure above may be referred to the Department Director by the complainant. Such referral shall be in writing, detailing the specific issues involved in the referral together with a statement of the resolution desired. The Department Director shall investigate the issue and attempt to reach a satisfactory resolution of the problem.
- (3) Any grievance which has not been resolved by the procedures above may be referred to the City Manager by the complainant or by the Department Director. Such referral shall be in writing, detailing the specific issues involved in the referral together with a statement of the resolution desired. The City Manager shall designate a personal representative who is not the Department Director to investigate the merits of the complaint, to meet with the complainant and, if the complainant is not the PPMA, to meet also with the officials of the PPMA and to settle the grievance or to make recommendations to the City Manager. The City Manager shall render his/her decision within fourteen (14) calendar days of receipt of grievance. No grievance may be further processed under this Section unless it has been filed in accordance with above paragraphs (1) and (2).
- (4) If the parties are unable to reach a mutually satisfactory accord on any grievance which arises and is presented during the term of this Memorandum of Understanding, such grievance shall be submitted to an Adjustment Board comprised of three (3) PPMA representatives, appointed by the PPMA, and three (3) representatives of the City, appointed by the City.
- (5) If an Adjustment Board is unable to arrive at a majority decision, either the PPMA or the City may require that the grievance be referred to an impartial arbitrator who shall be designated by mutual agreement between the PPMA and the City Manager. The fees and expenses of the arbitrator and of a Court Reporter shall be borne equally by the parties. Each party, however, shall bear the cost of its own presentation, including preparation, witness costs and post hearing briefs, if any.
- (6) Decision of Adjustment Boards and arbitrators on matters properly before them shall be final and binding on the parties hereto, to the extent permitted by the laws governing General Law Cities in the State of California.

No Adjustment Board and no arbitrator shall entertain, hear, decide or make recommendations on any dispute unless such dispute involves a position in a unit represented by the PPMA and unless such dispute falls within the definition of a grievance as set forth in Section 22.1.

22.3 No Change to Memorandum

Proposals to add to or change this Memorandum of Understanding or written agreements or addenda supplementary hereto shall not be arbitrable and no proposal to modify, amend or terminate this Memorandum of Understanding, nor any matter or subject arising out of or in connection with such proposal, may be referred to arbitration under this Section. Neither any Adjustment Board nor any arbitrator shall have the power to amend or modify this Memorandum of Understanding or written agreements or addenda supplementary hereto or to establish any new terms or conditions of employment.

22.4 Demotion, Suspension and Dismissal Grievances

When the City Manager in pursuance of Section 22.2 (3) above resolves a grievance which involves suspension or discharge, the City Manager may agree to payment for lost time or to reinstatement with or without payment for lost time, but in the event the dispute is referred to arbitration and the arbitrator finds that the City had the right to take the action complained of, the arbitrator may not substitute his/her judgment for the judgment of management and if s/he finds that the City had such right, s/he may not order reinstatement and may not assess any penalty upon the City.

22.5 Compensation Complaints

All complaints involving or concerning the payment of compensation shall be initially filed in writing with the City Manager. Only complaints which allege that PPMA unit represented employees are not being compensated in accordance with the provisions of this Memorandum of Understanding shall be considered as grievances. Any other matters of compensation are to be resolved in the meeting and conferring process and if not detailed in the Memorandum of Understanding which results from such meeting and conferring process shall be deemed withdrawn until the meeting and conferring process is next opened for such discussion. No adjustment shall be retroactive for more than thirty (30) days from the date upon which the complaint was filed.

22.6 Mutual Agreement on Changes

No changes in this Memorandum of Understanding or interpretations thereof (except interpretations resulting from Adjustment Board or arbitration proceedings hereunder) will be recognized unless agreed to by the City Manager or where the authority has been delegated by the City Manager, the City Manager's representative, and PPMA President.

**SECTION 23. GRIEVANCE PROCEDURE FOR PPSA UNIT REPRESENTED
EMPLOYEES**

23.1 Definition

This Section 23 grievance procedure applies only to PPSA unit represented employees. A grievance is any dispute involving the interpretation or application of any provision of this

Memorandum of Understanding excluding, however, those provisions of this Memorandum of Understanding which specifically provide that the decision of any City Official shall be final, the interpretation or application of those provisions not being subject to the grievance procedure.

23.2 Public Safety Officer Procedural Bill of Rights

Steps 1 through 3 of the Grievance Procedure shall be utilized to provide the administrative appeal set forth in Section 3304(b) of the Government Code for any appeals of punitive action enumerated in Section 3303. Such appeals shall not be processed beyond Step 3.

23.3 Procedure

Grievances shall be processed in the following steps:

23.3.1 Step 1. Immediate Supervisor.

A grievance may be filed by a PPSA unit represented employee in his/her own behalf, or jointly by a group of unit represented employees, or by PPSA.

Within fourteen (14) calendar days of the event giving rise to a grievance, the aggrieved shall present the grievance in writing to his/her immediate Supervisor. Grievances not presented within the time period shall be considered resolved. The grievance shall state the particulars of the grievance, including the specific provision of this Memorandum of Understanding allegedly violated, and the desired remedy.

The Supervisor shall meet with the grievant to attempt to settle the grievance and give a written answer to the aggrieved within seven (7) calendar days from the receipt of the grievance by the Supervisor.

23.3.2 Step 2. Department Director.

If the grievance is not resolved in Step 1, the aggrieved may, within fourteen (14) calendar days from receipt of the Supervisor's written answer, present the grievance in writing to the department director for consideration. The department director shall investigate the issues, meet with the grievant and attempt to reach a satisfactory resolution of the problem. Answer to the grievance shall be made in writing by the department director within fourteen (14) calendar days from receipt of the grievance.

23.3.3 Step 3. City Manager.

If the grievance is not resolved in Step 2, the aggrieved may, within five (5) calendar days from receipt of the department director's answer, present the grievance in writing to the City Manager for consideration. The City Manager shall designate the Assistant City Manager or other representative to investigate the merits of the grievance, to meet with the grievant, and to attempt to settle

the grievance or to make recommendations to the City Manager. The City Manager shall respond in writing within ten (10) calendar days from receipt of the grievance. No grievance may be further processed under Section 23 unless it has been filed in accordance with Sections 23.3.1 through 23.3.3.

23.3.4 Step 4. Adjustment Board.

If the parties are unable to reach a mutually satisfactory accord on any grievance which arises and is presented during the term of this Memorandum of Understanding, such grievance shall be submitted to an Adjustment Board comprised of two (2) PPSA representatives, appointed by the Association, and two (2) representatives of the City, appointed by the City.

23.3.5 Step 5. Arbitration.

In the event an Adjustment Board is unable to arrive at a majority decision, either the PPSA or the City may require that the grievance be referred to an impartial arbitrator who shall be designated by mutual agreement between the Association and the City Manager. The fees and expenses of the arbitrator and of a court reporter shall be shared equally by the PPSA and the City. Each party, however, shall bear the cost of its own presentation, including preparation and post-hearing briefs, if any. Decisions of Adjustment Boards and arbitrators on matters properly before them shall be final and binding on the parties hereto, to the extent permitted by the laws governing General Law Cities in the State of California.

23.4 Scope of Authority of Adjustment Board or Arbitrator

No Adjustment Board and no arbitrator shall entertain, hear, decide, or make recommendations on any dispute unless such dispute involves a position in a unit represented by this Association and unless such dispute falls within the definition of a grievance as set forth in Section 23.1.

Proposals to add to or change this Memorandum of Understanding or written agreements or addenda supplementary hereto shall not be arbitrable and no proposal to modify, amend or terminate this Memorandum of Understanding, nor any matter or subject arising out of or in connection with such proposal, may be referred to arbitration under this Section. Neither any Adjustment Board nor any arbitrator shall have the power to amend or modify this Memorandum of Understanding or written agreements or addenda supplementary hereto or to establish any new terms or conditions of employment.

23.5 Discipline Grievances

23.5.1 No grievance involving demotion, suspension or dismissal of a PPSA unit represented employee will be entertained unless it is filed in writing with the immediate supervisor within three (3) days not including Saturdays, Sundays or holidays, of the time at which the affected unit represented employee was notified of such action.

23.5.2 If the department director or the City Manager resolve a grievance under this Section which involves suspension or discharge, they may agree to payment for lost time or to reinstatement with or without payment for lost time, but in the event the dispute is referred to arbitration and the arbitrator finds that the City had the right to take the action complained of, the arbitrator may not substitute his judgment for the judgment of management and if he finds that the City had such right, he may not order reinstatement and may not assess any penalty upon the City.

23.6 Grievances Regarding Compensation

All complaints involving or concerning the payment of compensation shall be initially filed in writing with the City Manager at Step 3, Section 23.3 above. Only complaints which allege that unit represented employees are not being compensated in accordance with the provisions of this Memorandum of Understanding shall be considered as grievances. Any other matters of compensation are to be resolved in the meeting and conferring process and if not detailed in the Memorandum of Understanding which results from such meeting and conferring process shall be deemed withdrawn until the meeting and conferring process is next opened for such discussion. No adjustment shall be retroactive for more than thirty (30) days from the date upon which the complaint was filed.

23.7 No Changes in this Memorandum of Understanding

No changes in this Memorandum of Understanding or interpretations thereof (except interpretations resulting from Adjustment Board or arbitration proceedings hereunder) will be recognized unless agreed to by the City Manager and the PPSA; provided, that nothing herein shall prevent the City from adjusting past practice to conform with clear contract language.

SECTION 24. TUITION REIMBURSEMENT

24.1 Amount and Eligibility

PPMA and PPSA unit represented employees may be reimbursed for tuition and related enrollment/registration expense paid for courses of study in an off-duty status if the subject matter content of the course is closely related to the unit represented employee's present work assignment or in an undergraduate or post graduate program related to the unit represented employee's work assignment. There must be a reasonable expectation that the PPMA or PPSA unit represented employee's work performance or value to the City will be enhanced as a result of the course of study or that the unit represented employee will be better prepared for promotional opportunities. The maximum amount of tuition reimbursement available to PPMA and PPSA unit represented employees within a single fiscal year is as follows:

PPMA unit represented employees:	\$2,000 per fiscal year
PPSA unit represented employees:	\$2,000 per fiscal year

24.2 Request for Pre-Approval and Reimbursement

For PPSA unit represented employees, tuition reimbursement will be applied to the City's fiscal year in which the class begins. The course of study must be approved in advance, with the PPMA or PPSA unit represented employee submitting a Request for Tuition Reimbursement to his/her department director that provides all the information needed for evaluation of the request.

24.3 City Authorization

The department director shall recommend approval or disapproval and forward the request to the Human Resources Department, whose decision shall be final. Having approved the course of study, Human Resources returns the application to the department, until such time as the course is complete. If a course is approved and later found to be unavailable, a substitute course must be approved.

24.4 Proof of Completion

Upon completion of the course, a copy of the grade sheet or certificate with a grade of C or better, together with original receipts and proof of payment by the PPMA or PPSA unit represented employee of tuition, fees, etc., shall be submitted to Human Resources for processing. Any and all reimbursement must be returned to the City in full if the unit represented employee does not achieve at least a C grade. A copy of the tuition information is placed in the unit represented employees personnel file

24.5 Reimbursement to City Upon Separation

If the unit represented employee leaves the employment of the City within one (1) year after reimbursement, such unit represented employee is required to refund one-half (1/2) of the reimbursement to the City.

SECTION 25. RESPONSE TIME

All sworn PPSA unit represented employees shall reside within fifty (50) air miles of the police headquarters prior to the completion of their probationary period; provided, however, that where such boundary would include only a portion of a city, PPSA unit represented employees may live anywhere within the city limits of that city. For the purpose of this section the principal place of residence, where a PPSA unit represented employee regularly lives with his/her family shall be considered as the place where the PPSA unit represented employee resides. Nothing herein shall require a PPSA unit represented employee to move from this place of residence as of July 1, 1984.

SECTION 26. NO STRIKE

The PPMA, the PPSA, their members and representatives, agree that they will not during the term of this memorandum of understanding engage in, authorize, sanction, or support any strike, slowdown, stoppage of work, curtailment of production, concerted refusal of overtime work, refusal to operate designated equipment (provided such equipment is safe and sound) or to perform customary duties; and neither the PPMA, the PPSA, nor any representatives thereof shall engage in job action for the purpose of effecting changes in the directives or decisions of management of the city, nor to effect a change of personnel or operations of management or of unit members not covered by this memorandum of understanding.

SECTION 27. SEPARABILITY OF PROVISIONS

In the event that any provision of this Memorandum of Understanding is declared by a court of competent jurisdiction to be illegal or unenforceable or rendered invalid by operation of law, that provision of the Memorandum of Understanding shall be null and void but such nullification shall not affect any other provisions of this Memorandum of understanding, all of which other provisions shall remain in full force and effect.

SECTION 28. PAST PRACTICES AND EXISTING MEMORANDA OF UNDERSTANDING

- 28.1 Continuance of working conditions and practices not specifically authorized by ordinance or by resolution of the City Council is not guaranteed by this Memorandum of Understanding.
- 28.2 This Memorandum of Understanding shall supersede all existing memoranda of understanding between the City and the Association.
- 28.3 No changes in this Memorandum of Understanding or interpretations thereof (except interpretations resulting from Adjustment Board or arbitration proceedings under Section 21) will be recognized unless agreed to by the City Manager and the PPMA or the PPSA, provided that nothing herein shall prevent the City from adjusting past practices to conform with clear contract language.
- 28.4 All existing side letters that are not incorporated into this Memorandum of Understanding shall terminate on the effective date of this Memorandum.

SECTION 29. ADDITIONAL PROVISIONS

29.1 Term of Agreement

The parties acknowledge that this Memorandum must be presented to and approved by the City of Pacifica City Council. Unless otherwise specifically stated in this MOU, this Memorandum shall become effective on the date approved by the City Council, and shall remain in effect through June 30, 2023.

29.2 Negotiations for a Successor Memorandum of Understanding

No later than March 15, 2023, the City and the Association shall begin negotiations for a successor Memorandum of Understanding by exchanging initial conceptual proposals.

Serious Health Condition

“Serious health condition” means an illness, injury (including, but not limited to, on-the-job injuries), impairment, or physical or mental condition of the employee or a child, parent, or spouse of the employee that involves either inpatient care or continuing treatment, including, but not limited to, treatment for substance abuse. A serious health condition may involve one or more of the following:

1. Hospital Care

Inpatient care in a hospital, hospice, or residential medical care facility, including any period of incapacity or subsequent treatment in connection with or consequent to such inpatient care. A person is considered an “inpatient” when a health care facility formally admits him or her to the facility with the expectation that he or she will remain at least overnight and occupy a bed, even if it later develops that such person can be discharged or transferred to another facility and does not actually remain overnight.

2. Absence Plus Treatment

(a) A period of incapacity of more than three consecutive calendar days (including any subsequent treatment or period of incapacity relating to the same condition), that also involves:

- (1) Treatment two or more times by a health care provider, by a nurse or physician’s assistant under direct supervision of a health care provider, or by a provider of health care services (e.g., physical therapist) under orders of, or on referral by, a health care provider; or
- (2) Treatment by a health care provider on at least one occasion which results in a regimen of continuing treatment under the supervision of the health care provider.

3. Pregnancy [NOTE: An employee’s own incapacity due to pregnancy is covered as a serious health condition under FMLA but not under CFRA] Any period of incapacity due to pregnancy; or for prenatal care.

4. Chronic Conditions Requiring Treatment

A chronic condition which:

- (1) Requires periodic visits for treatment by a health care provider, or by a nurse or physician’s assistant under direct supervision of a health care provider;
- (2) Continues over an extended period of time (including recurring episodes of a single underlying condition); and

- (3) May cause episodic rather than a continuing period of incapacity (e.g., asthma, diabetes, epilepsy, etc.).

5. Permanent/Long-term Conditions Requiring Supervision

A period of incapacity which is permanent or long-term due to a condition for which treatment may not be effective. The employee or family member must be under the continuing supervision of, but need not be receiving active treatment by, a health care provider. Examples include Alzheimer's, a severe stroke, or the terminal stages of a disease.

6. Multiple Treatments (Non-Chronic Conditions)

Any period of absence to receive multiple treatments (including any period of recovery therefrom) by a health care provider or by a provider of health care services under orders of, or on referral by, a health care provider, either for restorative surgery after an accident or other injury, or for a condition that would likely result in a period of incapacity of more than three consecutive calendar days in the absence of medical intervention or treatment, such as cancer (chemotherapy, radiation, etc.), severe arthritis (physical therapy), or kidney disease (dialysis).
