CHRISTINE BOLES

Age: 58

Occupation: Architect, Businesswoman, Mother

I care deeply about our City, our people and our businesses. As an active participant in Council and Planning Commission meetings the last few years, I know the requirements of the position. I would be honored to serve you in this role, to be your voice advocating for District 2 on the City Council.

We have challenges ahead with our tight budgets, aging road and sewer infrastructure, lack of affordable housing, increasing crime and traffic, and growing concerns about the effects of climate change on the entire city, including fire, landslides, flooding, coastal erosion, and sea level rise.

With over 30 years of experience leading teams and collaborating to design, build and manage multi-million-dollar projects, I would bring unique creative, technical, financial, and problem-solving skills to our City Council.

We are a beautiful, diverse community and I believe our residents are our biggest assets. Together there is nothing we can't accomplish. We can improve our economy and our quality of life by focusing on our strengths, including our precious environment, our outdoor recreation, our history, our arts, and our unique businesses. A vote for me is a vote for a new, long term creative vision for Pacifica.
