CITY CLERK

FOR MEMBER OF THE CITY COUNCIL
MAYRA ESPINOSA
Occupation: Broker/ Businesswoman/Educator

I want to advocate for you!

My name is Mayra Espinosa, and I am running for Pacifica City Council, representing District 1 Fairmont/Westview. I have lived in Pacifica for over 31 years. I have helped my neighbors save their homes from foreclosure and served as an educator at Skyline College for over 24 years. I am passionate about empowering others.

I have volunteered in many local organizations to understand and help others. I have attended City Council and Planning Commission hearings to learn how our city works. I love to walk my neighborhood to get to know my neighbors.

Like my neighbors, I want more for District 1. With your support in this upcoming election, I will focus on:

Improved parks, clean streets, and open space

Safe and affordable housing

Access to resources and our share of infrastructure improvements

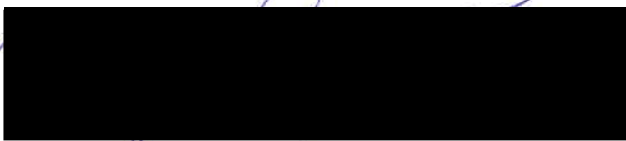

Economic development for our local businesses

Protecting our coastline while addressing climate change impacts

Community engagement from our diverse perspectives and increasing transparency

Imagine with me a community where diversity thrives, every voice matters, and neighbors work together to create a brighter future. I invite you to join me in making this vision a reality.
