

Greg Wright Pacifica City Council Dist 4

RECEIVED

AUG 07 2024

CITY CLERK

Wright for Pacifica

Why vote for me? Simply put, I love Pacifica. I love the stunning landscapes and the ocean; but most of all, it's the community spirit, that has inspired me to serve our city

My service spans many years. I've coached soccer and basketball and served on the Pacifica United soccer board for over a decade. Additionally, I refereed soccer and mentored youth referees. For ten years, I sat on the German School of San Francisco's board. I am currently a member of Pacifica's Planning Commission. Each of these roles has prepared me to serve on the City Council effectively:

Coaching: Team building and leadership

Refereeing: Judgment and impartiality

Board Work: Decision-making and stewardship

Planning Commission: Managing information, balancing demands, and consensus building

Throughout my service, I've strived to maintain a high level of common sense and compassion, always trying to understand different perspectives. I aim to help Pacifica achieve economic sustainability, just as I supported school and soccer programs through the challenges of COVID.

I am committed to our children and their future, our environment, ensuring clean air, water, and soil, and preserving our unique way of life. With my years of experience, I am eager to continue serving and contributing. Long Live Pacifica!
