PRESS RELEASE

February 27, 2020

Re-Opening of Wet Weather Equalization Basin/ Community Center Parking Lot

FOR IMMEDIATE RELEASE (Pacifica, CA) – On February 28, 2020, the City's long awaited Wet Weather Equalization Basin/Community Center Parking Lot will re-open to the public. This below ground Wet Weather Equalization Basin was constructed to improve public health, safety, and the environment by helping prevent storm-related sanitary sewer overflows in the lower Linda Mar Valley. The Basin has a 2.1 million gallon capacity with a 28-inch conveyance pipeline system to divert high flows to the Equalization Basin during storm events.

The City appreciates everyone's patience and cooperation for any inconveniences caused by construction activities as we strive to improve public health and the environment in Pacifica. Please contact the Public Works Department at (650) 738-4660 if you have any questions or comments. -
