FOR IMMEDIATE RELEASE

San Jose Avenue Pedestrian Bridge over State Route 1 in Pacifica to Close Monday, February 25, 2019

Shuttle service will ferry pedestrians until new pedestrian bridge opens

PACIFICA – Caltrans will close the San Jose Avenue pedestrian overcrossing in Pacifica at 7:00 AM, Monday, February 25, 2019. The closure will allow workers to connect the landing of the replacement pedestrian overcrossing to the landing of the old overcrossing. The new overcrossing is scheduled to open in late April 2019.

The overcrossing spans State Route 1 in the Sharp Park neighborhood of Pacifica, connecting the Eureka Square Shopping Center on the freeway's eastside to Pacifica's civic center on the westside. The original overcrossing, built in 1968, is weathered and non-compliant with Americans with Disabilities Act.

During the closure, a free shuttle service will transport pedestrians across the freeway via nearby overcrossings (see map).

Pedestrian can contact the shuttle service by calling a phone number posted on signs at the shuttle stops which will be located at the entrances of the closed overcrossing. The shuttle service will be available around the clock until the new overcrossing opens.
