

Join the City of Pacifica on Nextdoor.com

Nextdoor is the free and private social network for neighborhoods. On Nextdoor, neighbors create websites for their neighborhoods where they can ask questions, get to know one another, exchange local advice, and share important safety information.

Tens of thousands of neighborhoods are already using Nextdoor to do the following:

- Find trustworthy local resources, such as babysitters, plumbers, and dentists
- Communicate with neighbors and police about suspicious activity and safety concerns
- Organize neighborhood events, such as garage sales and block parties
- Get assistance in finding lost pets and missing packages
- Sell or give away items, like an old kitchen table or bike

Initially the City of Pacifica will focus in on “one-way communication” in that we will provide messages and notifications to you via Nextdoor. Eventually direct replies to our posts will become available.
