14. Adjourn in memory of Alan Ernat.

When Alan left the BAC we had many hopes that he would beat his cancer problems, and return. Alan passed away on January 9, 2018. Alan was a kind, humble man with lots of knowledge that he liked to share. A few of his cherished hobbies were gardening, nature, and his model trains. He will be missed by the San Francisco/San Mateo Master Gardener program, the gardens that he cared for, his many friends, and the love of his life, his wife Jean. Alan had requested to his wife that he would like to be remembered as the "The tall skinny gardener in jeans". RIP Alan.
